

Hire Talent and Transform Lives

To whom it may concern,

Please accept this letter in support of the candidacy of Rawy Murgany. We encourage you to consider them and to contact TalentLift for further recruitment and relocation support.

In brief background, [TalentLift](#) is a Canadian non-profit, international recruitment agency helping employers to find and relocate talent from within refugee populations. It's a brilliant way to find talent while helping candidates and their families to relocate out of displacement to a new home community. Employers recruiting with us have found extremely talented candidates from diverse backgrounds who are eager to contribute and grow their careers, all while engaging their team in something transformative.

All our candidates are currently living as refugees in different parts of the world. All are talented and keen to contribute their skills.

TalentLift works closely with the Government of Canada which has prioritized growing this inclusive and win-win international recruitment solution. We are a supporting NGO of Canada's [Economic Mobility Pathways Pilot](#).

TalentLift can support you through our talent search, visa, and relocation services. Our goal is ensuring a seamless experience for our hiring partners and candidates.

Thank you for exploring what's possible. **Please reach out to us to learn more, we're here to support you:** hire@talentlift.ca
